

The seminar **“Why You Are Like You Are”** has a focus on discovering the motivational gifts laid out in Romans 12. Everyone has a motivational gift. No one has been left out. I have given this seminar many times and am always amazed and delighted to watch people discover themselves in a whole new light. Ps 139:13-16 states:

*3 You alone **created my inner being**. (Could this be our Motivational gift?) You knitted me together inside my mother.*

14 I will give thanks to you because I have been so amazingly and miraculously made. Your works are miraculous, and my soul is fully aware of this.

15 My bones were not hidden from you when I was being made in secret, when I was being skillfully woven in an underground workshop.

16 Your eyes saw me when I was only a fetus. Every day of my life was recorded in your book before one of them had taken place.

In answer to your inquiry, I consider that the chief dangers which confront the coming century will be religion without the Holy Ghost, Christianity without Christ, forgiveness without repentance, salvation without regeneration, politics without God, and heaven without hell." Wm. Booth.
